

# MGMA Survey Participation Benefits

As a benefit, all eligible participants will receive single-user access to the results in MGMA DataDive for the surveys they complete.

*\*Participant access to MGMA DataDive is for a single user and cannot be disseminated across your organization.*

**We value your time!** We've created a tiered participation benefit structure to ensure we reward you for the time spent completing the surveys.

- TIER 1** Submit the minimum amount of data required to be considered an eligible survey participant and receive this tier of access.
- TIER 2** Provide us with more than the minimum and we'll reward you with access to expanded benchmarking data in addition to the Tier 1 benefit.

*See details regarding the tiers for each survey below.*

**Additional benefits of participating:** In addition to the unmatched contribution you provide for your specialty and the industry, survey participants are also eligible to receive discounts when renewing or purchasing upgraded access to MGMA DataDive.

## MGMA Better Performers

MGMA recognizes better performing practices in four areas for recognition: operations, profitability, productivity, and value. The criteria within each category ensures we capture a holistic view of healthcare practices and what it means to be a better performer in the ever-changing field of healthcare. To qualify as a better performer, organizations must submit Tier 1 and Tier 2 data to all surveys listed above.

Access to the MGMA DataDive Better Performers dataset is limited to those who contribute data to the 2022 Compensation and Production (both provider and management and staff portions), Cost and Revenue and Practice Operations surveys OR purchase the 2022 MGMA DataDive All Surveys package. Those with an All Access Organizational Memberships will also be able to access.

**Have a question?** MGMA Data Solutions staff are available Monday through Friday, 7:00 am to 5:00 pm MT. Call toll-free at **877.275.6462, ext. 1895** or email [survey@mgma.com](mailto:survey@mgma.com).
